

## **WE ARE HIS WITNESSES**

Our Lady of the Visitation in conjunction with the Newark Archdiocese is participating in a survey hoping to access OLV's greatest strengths and opportunities on our discipleship journey.

The very first step in this process involves **assessing our greatest strengths and opportunities**, and that is where the **Disciple Maker Index (DMI)** comes in! The DMI is an important survey tool that invites you to reflect on your discipleship journey here at Our Lady of the Visitation. All adult parishioners, and students who have been confirmed, are encouraged to complete the survey. We need your responses to help strengthen our parish and better prepare us for the future as we strive to grow as disciples of Christ.

The 10–15-minute survey can be accessed through an online link, available on our website, [olvparamus.org](https://portal.catholicleaders.org/dmi/survey/c3bk3c), today – May 25 and will ask you to reflect on your own spiritual growth and enable you to provide your perspective on our parish's efforts to help you grow in relationship with Christ. All responses will be confidential, and the parish will only receive information about the community as a whole. Your input will help strengthen our parish and help us prepare for the future. A final report of the findings will be shared in the Bulletin and on our Webpage.

If you do not have access to a computer, you may pick up a paper survey after daily and Sunday Masses. They will be located in the front of the church and at the elevator entrance. To submit the completed paper survey, please drop off your survey in the available boxes.

At Our Lady of the Visitation, we are blessed in so many ways. Together we will identify our strengths and opportunities in greater detail as we strive to grow in missionary discipleship.
